Club Elitaire

Lou Bega

CHORUS :
Club elitaire is where the rich and famous go
Club elitaire is a million dollar show
Club elitaire girls and diamonds glow
I see you tonight my friend
At club elitaire
1. and 2. VERSE :
I want your body
And you shouldn't stop me
That beat is goin' on
And your eyes are tellin' me
Get close and start it
BRIDGE :
I know I make you mine
I can see you feel divine
I know I make you mine
Do you really like to
Shine shine shine at....
BREAKPART 1 :
I know you wanna dance
So come close
Dance

I know you wanna shake those hips
Come on let's pop that bottle of champagne
Let's get wild, freaky
Let's dance the whole night long
BREAKPART 2 :
Oh ya dancin'
Now ya dancin'
Now ya shakin' those hips
And now ya zippin' that champagne
Now ya doin' all of that
The night is not enough
Yeah, this night is not enough
Come on ever baby
Get closer
And let us really shake it
Yeah, let us really do it

All right, let me see
Let me see everything
You wanna do
Everything
Come on
