Yeti

A.R. Kane

I love your world
Where the winners might be sweet all around
Tell me your life.
Tell me what you'll be afraid of this nightIf you wanna take a look around
Please don't hit a man who understands
As the story goes you are the one
Run away in other place
In the night you're looking for to meet
And checking the man to get in fit
Just the story goes you are the one
Run away in other placeYeti, yeti, yeti, yeti
Yeti, looking a horrid man.
Yeti, living in other landI want your soul and I really like to seem to your heart
I feel with you and I know that you are living apart
If you wanna take a look around...
