Stars Are Blind-

Paris Hilton

I don't mind spending some time
Just hanging here with you
'Cause I don't find too many guys
That treat me like you doThose other guys all wanna take me for a ride
But when I walk they talk of suicide
Some people never get beyond their stupid pride
But you can see the real me inside
And I'm satisfied, oh no, ohEven though the gods are crazy
Even though the stars are blind
If you show me real love baby
I'll show you mineI can make you nice and naughty
Be the devil and angel too
Got a heart and soul and body
Let's see what this love can do
Baby, I'm perfect for youI could be your confidante
Just one of your girlfriends
But I know that's not what you want
If tomorrow the world ends
Why shouldn't we be with the one we really love?
Now tell me who have you been dreaming of
I and I alone, oh no, ohEven though the gods are crazy
Even though the stars are blind
If you show me real love baby
I'll show you mineI can make you nice and naughty
Be the devil and angel too
Got a heart and soul and body
Let's see what this love can do
Baby, I'm perfect for youExcuse me for feeling
This moment is critical
It might be me feeling
It could get physical, oh no, no noEven though the gods are crazy
Even though the stars are blind
If you show me real love baby
I'll show you mineI can make you nice and naughty
Be the devil and angel too
Got a heart and soul and body
Let's see what this love can doLet's see what love can do
Mmm baby, I'm perfect for you
Mmm baby I'm perfect for you, you

Mmm baby, I'm perfect for youEven though the gods are crazy
Even though the stars are blind
Even though the gods are crazy
Even though the stars are blind
