

# Go!

## Cate Wurtz

Yeah, still Killa Kill from the ville  
With a flow so cold it'll froze your nose  
Something like the blow did in the 90's  
When I sold to the geeked out hoes  
Must be the reason my flow so dope  
Not dope meaning mean coke but dope meaning dope  
What's that Killa? Y'all niggas don't know?  
So School's in session, let's go  
Dope shit get you 75 a brick that bullshit  
Coke just gets you 24  
Like my nigga told y'all niggas back in '96  
The difference between a 4.0 and a 4.6  
And you're on my dick  
Get up off the dolo draws  
Y'all ain't seen a rapper this cold 186 since above the law  
Nigga with an attitude like Eazy, Ren, Dre and young O'Shea  
Fuck that punk ass Glock he got on the block  
I'm gonna hit him with the K  
Have a nigga singing like Michel'Le  
Have a nigga missing like JJ Fad  
Beat a nigga dead like JJ dad  
Damn damn James! Why you make me mad?  
I go ham  
The gun go blam  
I go stupid oh my God

Shumalumadumalumashmalumaduma  
even when I ain't saying shit  
Got AK word play might put a pause in you life just like a comma bitch!  
Let everyone know that the bad got bad's back  
And he got a gun and he's dressed in black  
Terrorist flow I'm ready to attack  
Bombs over Baghdad yes Iraq and Iran  
The motherfucking man with the motherfucking plan  
Sitting with the strap on my motherfucking lap  
I put the shit to your motherfucking naps  
38. snub to your Nap' ass dome  
I can get you straight like a pressing comb  
I go ape straight King Kong

Y'all monkey-ass-niggas better leave me alone

I'm a gorilla so I get realer

I spit hot fire retro Godzilla

Homicide maniac brainiac

Sipping on a pint of 'yac

I'm Killer killer killer killer killer killer

These many shows in these many days

Had these many bricks got these many paid

That's 1, 1, 2 in these many ways

Indeed I say the opposite of living in need

I say is greed they say

I say no way fuck get money

Stack your hundreds alright ok? Go!
