Thieves

SNDCLSH

You're just a city in my state of mind
And the streets are so cold, they are
To get to you, I bend space and time
Yeah, I'll cross these stars for you
You're just a picture in my frame of mind
Hanging on these lonely walls inside
To feel again I ride a wave of crime
And they'll never take me alive'Cause we thieves don't die
We thieves don't die
'Cause we thieves don't die
Believe the hype
You're just a city in my state of mind
And your streets are so hot, they are
To get to you, I bend space and time
And the universe I recall
You're just a picture in my frame of mind
But they're falling down to the floor
To feel again I ride a wave of crime
But they'll never take me aliveYou're just a city in my state of mind
And your streets are so cold, they are
To get to you, I bend space and time
And the universe I recall
You're just a picture in my frame of mind
Hanging on these lonely walls inside
To feel again I ride a wave of crime
And they'll never take me alive
'Cause we thieves don't die...
We thieves don't die.
We thieves don't die...
We thieves don't die...
Believe in mine...
We lust, and we lie down...
Please don't die
We leave behind...
Believe in mine...
Believe in mine...
