Everything Is Embarrassing

[Sky Ferreira](#)

(I know you're trying)
Everything and nothing always haunts me
I know you're trying, I know you're trying
Waiting for the moment to fall on me
I saw you trying, I saw you trying...
Maybe if you let me be your lover
Maybe if you try then I would not bother
Telling me that basically you're not looking out for me
Everything is true to me, never words where you would see
Maybe if you let me be your lover
Maybe if you try then I would not bother
(I know you're trying)
(I know you're trying)
Hurts so bad, I don't know what you want from me
You know I'm trying, You know I'm trying
And now we're hanging on by a heartbeat
You know I'm trying, I was always trying...
Maybe if you let me be your lover
Maybe if you try then I would not bother
Telling me that basically you're not looking out for me
Everything is true to me, never words where you would see

Maybe if you let me be your lover
Maybe if you try then I would not bother
I've been laying everything, everything that could have been
Could have been my anything, now everything's embarrassing...
Acting like is nothing such a bore
I saw the truth and I just can't ignore
You trying to hold the heart that can't be stored
Say, I try to give my best before
You wouldn't have the chance to give me more
You only wanted closer to the door
Maybe if you let me be your lover
Maybe if you try then I would not bother
Telling me that basically you're not looking out for me
Everything is true to me, never words where you would see
Maybe if you let me be your lover
Maybe if you try then I would not bother
I've been laying everything, everything that could have been

Could have been my anything, now everything's embarrassing...
Maybe if you let me be your lover
Maybe if you try then I would not bother
I've been laying everything, everything that could have been
Could have been my anything, now everything's embarrassing...
