

Light The Universe (Feat Candice Night)

Halloween

In a house up the hill
Lays a boy, he's sleeping still
And the time's creeping by
'Til the world prepares to die
Then again out of dust
Will arise what ended last
And the boy will awake
Give his dream a little brake And the story now goes on and on and on
As the old has died the new arises
And a child will Light the Universe
Light the Universe
We got blind, we can't read the signs
Light the Universe
Light the Universe
We don't find what's hidden in our mind Under sand in sea
Covered with eternity
Beats a heart with no fame
Quietly whispering my name
When my time has run out
I will hear it very loud
Telling tales I once knew
But forgot by losing you And the story now goes on and on and on
As the old has died the new arises
And a child will Light the Universe
Light the Universe
We got blind, we can't read the signs
Light the Universe
Light the Universe
We don't find what's hidden in our mind
