

Parting Time

Erik Santos

I remember the days
When you here with me
Those laughter and tears
We shared for years
Uhmhhh
Memâ€™ries that we had
For so long itâ€™s me and you
Now you're gone away
You left me all alone
Go on
Do what you want
But please don't leave me
Youâ€™ll break my heart
Hey, what should I do?
Babe, Iâ€™m missin' you
Please don't disappear
These are the words that you should hear
Time and time again
I wish that,
You were here!!!
I don't wanna lose you
Girl
I need you back to me
I don't wanna lose you
Baby canâ€™t you see
Oh, I need you
Youâ€™ve been a part of me
I wish someday
Youâ€™ll be back home!
'cause I really miss you
Darling
Please come home...

I wish someday you'll be back home
'cause I really miss you darling!!!
Please come home
