

Sometimes I'm Happy

Benny Goodman

Got to give a little, take a little
And let your poor heart break a little
That's the story of, that's the glory of love You got to laugh a little, cry a little
Until the clouds roll by a little
That's the story of, that's the glory of love As long as there's the two of us
We've got the world and all it's charms
And when the world is through with us
We've got each other's arms Got to win a little, lose a little
Always have the blues a little
That's the story of, that's the glory of love
