Love Burns

Neil Diamond

See what you do
You make me act so crazy
I'm overcome, I know
Stealin' my own showFor your love
And who am I now, Clown or Casanova
I'm never sure with you
And what more can I doFor your love burns
Warmer than you know
When love burns,
Never let it go awayAnd where do we go
Find a road to lead us
I'm searching in your eyes
A world beyond the skiesFor your love burns
Brighter than you know
When love burns,
Never let it go awayLove burns
Brighter than you know
Oh, love burns
Never let it go awayLove burns when the spirit is wounded
Cut deep by the sound of rejection
Love burns in the soul of the seeker
Blue shadows in every directionLove burns when the heart is uncovered
In the rage of the coldly storm
Love burns
Through the night and the morningTill the frozen heart is warm
Love burns
Love burns
Love burns
Love burns
