I'm You

Leona Lewis

How many times are you gonna take it?
Look in my eyes, help me make this make sense
Night after night, you sat up and cried
Wondering when youre gonna see things clearer
Dont even realize that this very moment
Youre talking to yourself in the mirrorIts true
So you think Im strong but youre feelin' that youre weak
Baby, Im you
But were one and the same so youre just as strong as meBaby Im you
And we deserve better it's time for us to leave
You know what to do, 'cause Im not a fool so neither are you
Baby, Im youOh, youre not crazy
If only youd realize that you and I is all the help we need
So why are we sitting here on the floor
Listen to me
We aint cryin' no more
I am your soul, I am your heart, my strength is yoursBaby, it's true
So you think, Im strong but youre feelin' that youre weak
Baby, Im you
But were one and the same so youre just as strong as meBaby, Im you
And we deserve better it's time for us to leave
You know what to do, 'cause Im not a fool so neither are you
Baby, Im youSo pick yourself up right now, weve been here too long
Weve overstayed it enough that might have been
Its been a long time all gone
So wipe away the tears, aint nothing for us here
The time has come to move onBaby, we deserve better
And were far too strong to let this go onBaby, Im you
So you think Im strong but youre feelin' that youre weak
Baby, Im you
But were one and the same so youre just as strong as meBaby, Im you
And we deserve better it's time for us to leave
You know what to do 'cause Im not a fool so neither are you
Baby, Im you
Baby, Im you
Im you
