## Major Lazer

Now in comes di ting called  
Major Lazer number one sound inna dancehall  
We stand tall  
Sound boy diss and fall  
That's all, uh We ready fi di war  
I see di fear in a ya eyes  
I can smell the desperation  
But we have dubplates galore  
Major Lazer sound yes a we rule di nation Tonight a little drum pan will die  
Sound boy eradication  
And it no really matter what you try Stiggy-diggy-diggy-don  
Well reggae music a di people's choice  
Use this rhythm and make your sound play nice A Major Lazer  
A knock dun di place  
Now di time to test out di bass  
Now make it roll Now make it  
Now make it Stiggy-diggy-diggy-don  
Well reggae music a di people's choice  
Use this rhythm and make your sound play nice A Major Lazer  
A knock dun di place  
Now di time to test out di bass  
Now make it We ready fi di war  
I see di fear in a ya eyes  
I can smell the desperation  
But we have dubplates galore  
Major Lazer sound yes a we rule di nation Tonight a little drum pan will die  
Sound boy eradication  
And it no really matter what you try  
This is your final destination Now make it
