

Little Voice

Mohair

I won't tell you what I'm thinking
'Cause it's not the same thing you're thinking too You could say I got a best friend
And she's always tellin' me what to do She's out of sight but easy to find
She's in the front of our minds [Chorus]
The little voice in my head
Won't let me forget
The little voice in my head
Is never misled
All of this noise is what
Keeps me from making a mess
The little voice in my head
Just won't let me get with you La
La la la la la la la la la la When I see you I admit
I start to lose my grip
And all of my cool
Ya' smell so sweet
Just like my perfume
What have you been doing since I left you You're always there in my thoughts
But that doesn't mean that it's on [Chorus] I know I sound insane like I'm playin' games
'Cause all I really want is you
But there's some things a girl won't do Oh oh! The little voice, the little voice! [Chorus]
