Save It For Later

Matthew Sweet & Susanna Hoffs

Two dozen other dirty lovers
Must be a sucker for it
Cry cry but I don't need my mother
Just hold my hand while I come to a decision on itSooner or later
Your legs give way, you hit the ground
Save it for later
Don't run away and let me down
Sooner or later
You hit the deck, you get found out
Save it for later
Don't run away and let me down
You let me downBlack air and seven seas are rotten through
But what can you do?
I don't know how I'm meant to act with all of you lot
Sometimes you don't try
Just now now now now now now now now now now
Now now now now now now now now now now nowSooner or later
Your legs give way, you hit the ground
Save it for later
Don't run away and let me down
Sooner or later
You hit the deck, you get found out
Save it for later
Don't run away and let me down
You let me down
You runaway, runaway and let me downTwo dozen other stupid reasons
Why we should suffer for this
Don't bother trying to explain them
Just hold my hand while I come to a decision on itSooner or later
Your legs give way, you hit the ground
Save it for later
Don't run away and let me down
Sooner or later
You hit the deck, you get found out
Save it for later
Don't run away and let me down
You let me down
You run away run away
Runaway runaway runaway, runaway, and let me down
