

Love Gone Wrong

You+Me

Advisory - the following lyrics contain explicit language:

Baby baby, don't you come my way no more
I don't want you knocking at my door
Baby baby, why'd you treat me so damn mean
When I gave you my love more than you'd ever seen
Baby baby, oh can't you see my pain
Don't you understand what it's like to feel this way
Baby baby, don't you come my way no more
'Cause it won't be like the way it was before
Ours was just a love gone wrong
Don't that sound like the same old song
This time I'm really moving on
'Cause baby I'm gone, I'm gone gone gone
I'm gone for good
Baby baby, think you got this story wrong
You have misunderstood me and my loving all along, hmm
Baby baby, could've all worked out just fine
But you kept breaking me down and working me time after time
And you say baby baby, oh can't I see your pain
Don't I understand what it's like to feel this way
Well let me tell you baby, baby baby
Won't you step into these shoes
Walk a mile with me and then tell me who hurt who, oh
Ours was just a love gone wrong
Don't that sound like the same old song
This time I'm really moving on
'Cause baby I'm gone, I'm gone gone gone
I'm gone for good
We can go our separate ways
Hoping to find a better day
When there's no one left to chase
One truth remains
We're one and the same
Ours was just a love gone wrong
Don't that sound like the same old song
This time I'm really moving on
'Cause baby I'm gone, I'm gone
Gone gone
I'm gone for good
