

# Autumn Falls

Erik Jonasson

I'm wearing winter clothes when the autumn falls  
to be prepared for the rain.

So I can't say I was surprised  
when you took it back everything you said  
without admitting that you were wrong,  
so please don't call me a liar  
'cause you said we should be friends.

'Cause you can make it hurt  
and I know it hurts for you too, I know.  
And you can make it worse,  
and I know it hurts for you too, I know.

And I can feel your eyes on me,  
please don't, please don't  
and I can see why you're blaming me,  
please don't, please don't.

I'm wearing winter clothes when the autumn falls  
to be prepared for the storm.  
I can't say I've warned you,  
but this is how I am.

And I can make it hurt  
and I know it hurts for you too, I know.  
And you can make it worse,  
and I know it hurts for you too, I know.

And I can feel your eyes on me,  
please don't, please don't  
and I can see why you're blaming me,  
please don't, please don't.
