

# Look Good in Blue

## Blondie

You look good in blue  
It matches your skin  
Your eyes  
Dripping with pain Someone like you  
Getting off on the lies  
'Cause it dulls  
Your surprise again If it's alright with you  
I could give you some head  
And shoulders to lie on You look good in blue  
I know what you mean  
When you say  
You've seen the end Someone like you  
Been at it again  
You knew what was  
Up in the end If it's alright with you  
I could give you some head  
And shoulders to lie on Throw your weight on me, baby  
Don't complain on me, baby  
Escape in me, next to me I'm tired, always tired  
And I got not place to sleep  
I don't mind dividing down the line You can't say  
That I'm complaining  
'Cause I got no place to play, yeah  
I don't mind dividing down the line You look good in blue  
It matches your skin  
Your eyes  
Dripping with pain If it's alright with you  
I could give you some head  
And shoulders to lie on  
Yes, I could give you some head  
And shoulders to lie on
