

# Play Some Blues

## Zapp

I just don't care what you play  
You ain't played enough  
Till ya play some blues  
I just don't care what you play  
You ain't played enough  
Till ya play some bluesPlay some blues  
Brother, won't ya play some blues  
Let me tell ya  
Music comes in all forms  
But the blues  
Is where it started from  
Mm, play it brother  
I just don't care what you play  
You ain't played enough  
Till ya play some blues  
I just don't care what you play  
You ain't played enough  
Till ya play some bluesLet me tell ya

I said you outta play some blues  
Every day of your life, brother  
I don't think ya hear me now  
I said you outta play some blues  
I don't think ya hear me now  
I said you outta play some blues  
I just don't care what you play

Till ya play some blues  
I just don't care what you play  
You ain't played enough
