

# Enna Bella

[Eric Monty Morris](#)

I'm in love with a girl, her name is Enna Bella  
There is no doubt, she is from hell  
Have your fun till your time has come  
Enna Bella, Enna Bella from hellaShe's a real upsetter, she's a real live wire  
She will set any soul on fire  
Leave her alone or she will make you moan  
Enna Bella, Enna Bella from hella (x2)
