Magic Hour (feat. Little Boots)

RAC

End of the night, start of the morning
With my best friends all around
End of the Gin, start of the Brandy
But our destiny is sound
And we're putting the world to rise
And we're saving the day
We're facing the early light
And there's no time to waitIt's that magic hour
With superpowers
We can be famous
We could be the greatest
Magic hour
With superpowers
We can be shameless
Cause everything's painless
Yeah, yeah, yeah
Yeah, yeah, yeah, yeah
No please don't go, put on a record
Let's keep dancing 'til the end
Listen to your soul, every second
Is all you really have to spend
And we're ruling the world tonight
And we're making a better, better, better place
We put up a real good fight
Cause we're in it, together, together, togetherIt's that magic hour
With superpowers
We can be famous
We could be the greatest
Magic hour
With superpowers
We can be shameless
Cause everything's painless
Yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
That magic hour, magic hour
That magic hour, magic hour

That magic hour, magic hour
That magic hour, magic hour
All of our secrets, all of our weakness
All of our secrets, all of our weakness
All of our secrets, all of our weakness
All of our secrets, all of our weaknessIt's that magic hour
With superpowers
We can be famous
We could be the greatest
Magic hour
With superpowers
We can be shameless
Cause everything's painless
Yeah, yeah, yeah
(All of our secrets, all of our weakness)
Yeah, yeah, yeah, yeah
(All of our secrets, all of our weakness)
Yeah, yeah, yeah, yeah
(All of our secrets, all of our weakness)
Yeah, yeah, yeah, yeah
(All of our secrets, all of our weakness)
Yeah, yeah, yeah, yeah
