The Champ (feat. Swizz Beatz)

R. Kelly

Hey, hey
Ladies and gentlemen
The champ is here
The champ is here
The champ is here
Get your mutha****** hands in the airThe champ is here
The champ is here
The champ is here
You can hate me I don't careAll y'all wanna pile on me
Make it hard for me to breathe
Throw sand in my eyes
And make it hard for me to seeOut of breath
Can't see
Still hard to defeat
The history that I make
Impossible to repeatSpread rumors
Point fingers
Throw stones
Judge meHate me
Love me
Hug me
Curse meWhatever
'Cause y'all f*****' opinions don't feed me
I'm clever
And nothin' know that the industry needs me(Second round!)
I'm opposite of the demon that faces me
I've been through hell
Lived in the belly of the beastI confess my sins
But still didn't find peace
But like MJ and five
I will six peak(Third round!)
I make music for hood first
'Cause that's where Im from
That's why the hood is always first
To help me overcome(Fifth round!)
When Im down some o' y'all cats
Act so strange
And when Im up same cats wonder
Why I act so strange(Sixth round!)

Kells ain't change
Please you b****** is so lame
Somethin' ain't y'all fault
Then y'all so quick to blameThat's why I got number one
On the back o' my Range
Y'all cats is foreplayin'
I'm pregnant by the game(Seventh round!)
Some would like to see me in ball and chain
But Im a child of god
So my destiny's ordained(Eighth round!)
Undisputed is the title I claim
'Bout to shoot the world up
With this lyrical cocaine(Ninth round!)
The place is packed
The bell rings
I'm about to bring the pain
Left jab
Right hook
Shuttin' down yo' brain(Tenth round!)
I could be surrounded by lions
In the midst of the jungle
And still Im a rumble
(Ladies and gentlemen)
Young man rumble(Eleventh round!)
The champ is here
The champ is here
The champ is here
Get your mutha******' hands in the airThe champ is here
The champ is here
The champ is here
You can hate me I don't care
