Taxicab Messiah

Kidneythieves

My god loved the whores and babies
My god never noticed a sin
My god grew and killed the daises
My god threw the towel inMy god is weird my god is scared my god paints a pretty picture of fear
He's driving in gear.One day got sick of hailing mary's
Hailed you, got the door and slid on in
Told me you were good a fortune telling
Said too much, threw the towel inPaid for my rideTold him we could take the long way
Held on to everything he said
Wanted insight or an answer
Pointed the rear-view at my headAll in all, what does it mean?
