

# Losing My Life

## Falling In Reverse

Do I know you?  
Yes, you do  
This seems so familiar  
You're in a dream  
Who are you?  
I am your reflection... you've been asleep for a very long time I lay awake every night  
Lookin' back on my life  
Will apologies to the people I love  
For the things I've done  
Really make it right?  
I guess it might just then I realized  
My past is the reason I'm here right now  
As a matter of fact I won't apologize  
You bitches always pissed  
'Cause I am constantly changin'  
Think of how far that I've made it  
From my incarceration it's amazin' ain't it?  
But I'm in the zone  
I'm a rolling-stone  
I'm coming home  
But I'm not alone  
Do I really got to let another motherfucker know?  
No I won't surrender, surrender  
No I won't  
Let you bring me down So where the hell do I go from here?  
Who do I believe, who do I believe when everyone  
Feels so insincere?  
(Like everyone's out to get me)  
Who will save my life?  
How do I believe, how do I believe in anyone?  
Please don't mind me  
I just kill myself sometimes. Uh daddy?  
Yes honey?  
Why did you go to jail?  
Uhhhhhhh  
I'm a lot smarter than you think  
Everything I did was planned  
To get you to listen  
To get your attention so you post your opinion

And it gets me bigger  
Are you triggered? Haha... figures  
Here's the kicker with every trigger  
I'm gettin' richer from offended bitter little  
Twitter bitches all up in my mentions  
Lookin' for attention 'cause they're starved of it  
You wanna call me king of the music scene?  
I got news for you  
I'm the God of it  
(Like the second comin')  
I respawn like I have a reset button  
Hated more than trump is Ronnie Radke's back to rappin'  
Actin' ratchet release the kraken  
Delete your asses I'm not the rapture  
I'm the mother-fuckin' morning after  
No I won't surrender, surrender  
No I won't  
Let you bring me down  
So where the hell do I go from here?  
Who do I believe, who do I believe when everyone  
Feels so insincere?  
(Like everyone's out to get me)  
Who will save my life?  
How do I believe, how do I believe in anyone?  
Please don't mind me  
I just kill myself sometimes. I need a miracle  
I'm falling way too fast  
I'm sinkin' in too deep  
I need an angel now  
That's watchin' over me  
If I could just wake up  
If I could make you see  
I'm all alone, all alone with your sickness in me  
Dad... Dad... Dad wake up!  
Ahh fuck what the.  
You were having a bad dream  
Where am I? Turn the fuckin music off.  
Who the fuck are you?!  
I'm your daughter  
Oh no no you're too old to be my daughter.  
What year is it?  
It's 2033 dad, you've been asleep for a very long time  
So where the hell do I go from here?  
Who do I believe, who do I believe when everyone  
Feels so insincere?  
(Like everyone's out to get me)  
Who will save my life?  
How do I believe, how do I believe in anyone?  
Please don't mind me

I just kill myself sometimes.I'm falling way too fast  
I'm sinkin' in too deep  
I need an angel now  
That's watchin' over me  
If I could just wake up  
If I could make you see  
I'm all alone, all alone with your sickness in meWho will save my life?  
How do I believe, how do I believe in anyone?  
Please don't mind me  
I just kill myself sometimes.
