

# Gila

## Nymphae

Man, you got a lot of jokes to tell  
So you throw your baby's banners down the well  
    Give a little more than you like  
    Pick apart the past, you're not going back  
    Don't you waste your time  
        No, oh, oh, oh  
        Gila-a  
        Gila-a-a-a-a  
        Gila-a-a-a  
    Sure, you've got a handle on the past  
    It's why you keep your little lovers in your lap  
        Give a little more than you like  
    Pick apart the past, you're not going back  
  
    So don't you waste your time  
        No, oh, oh, oh  
        Gila-a  
        Gila-a-a-a-a  
        Gila-a-a-a  
    Hoping for the last ship to arrive  
    I've been blessed with a kingdom, half-mine  
        Gila-a  
        Gila-a-a-a-a  
        Gila-a  
        Gila-a-a-a-a  
        Gila-a-a-a-a  
        Gila-a-a
