Advisory - the following lyrics contain explicit language:

Sell the kids for food  
Weather changes moods  
Spring is here again  
Reproductive glandsHe's the one  
Who likes all the pretty songs  
And he likes to sing along  
And he likes to shoot his gun  
But he knows not what it mean  
Knows not what it mean  
And I say  
He's the one  
Who likes all the pretty songs  
And he likes to sing along  
And he likes to shoot his gun  
But he knows not what it mean  
Knows not what it mean  
And I say yeahWe can have some more  
Nature is a whore  
Bruises on the fruit  
Tender age in bloomHe's the one  
Who likes all the pretty songs  
And he likes to sing along  
And he likes to shoot his gun  
But he knows not what it mean  
Knows not what it mean  
And I say  
He's the one  
Who likes all the pretty songs  
And he likes to sing along  
And he likes to shoot his gun  
But he knows not what it mean  
Knows not what it mean

And I say yeahHe's the one  
Who likes all the pretty songs  
And he likes to sing along  
And he likes to shoot his gun  
But he knows not what it mean  
Knows not what it mean  
And I say  
He's the one  
Who likes all the pretty songs  
And he likes to sing along  
And he likes to shoot his gun  
But he knows not what it mean  
Knows not what it mean  
And I say yeah
