False Idols Fall

Comeback Kid

Your time is up
We've been counting down your days
Going over every false thing you sayWe wish it could be different
Wished you stayed the same
Tearing down our idols
Living the life our own wayTaking the chance to sayAll my heroes are dead
All my heroes are deadWere we too blind to see
You were only human like me?
Can't help or feel, empty words
They're all you gaveStruggling to take back our daysThey build you up to watch you fall
They build you up to watch you fall
Can't you seeIt can't be what you want
Because I love to watch them fallWhere did we lose control?
We thought it'd last forever
Where did we lose control?
We thought it'd last forever
We thought it'd last foreverWe're counting down away your days
Our heroes, the one they used to be
(Our idols fall)
Our heroes, the one they used to be
(Our idols fall away)
