

Always Remember Me (feat. Sara Bareilles)

Ry Cuming

Two by two, lovers' stand, on the beach at Santa Monica.
Pretty eyes, long hair, smelled so sweet like summer in the air.(Chorus)
 Watch me as i fall.
 Into the water calling.
 Watch me as i sink.
 Into the sea and always remember,
Me.Come back, back to me, back to where the mountains meet the sea.
We'll build a house, of driftwood, keep it simple, simple is good.(Chorus x2)
