

That Ole Devil Called Love

[Rebecca Ferguson](#)

It's that ole devil called love again
Gets behind me and keeps giving me the shove again
Putting rain in my eyes, tears in my dreams
And rocks in my heart It's that sly ole son of a gun again
He keeps telling me, that I'm the lucky one again
But I still have that rain, still have those tears
And those rocks in my heart Suppose I didn't stay
Ran away, wouldn't play
The devil what a potion, he would brew
He'd just follow me around
Build me up and tear me down
Till I'll be so bewildered
I won't know what to do Might as well, give up the fight again
'Cause I know darn well, he'll convince me
That he's right again
When he sings that sorry song
I'm just gonna tag along
With that ole devil called love
It's that ole devil called love
He'd just follow me around
Build me up and tear me down
Just gonna tag along
It's that ole devil called love
I won't know what to do
It's that ole devil called love
It's that ole devil called love
Might as well, give up the fight again
That ole devil called love
