Astral Path to Supreme Majesties

Inquisition

Far in the night sky a path is born
Stars form the path
and carry my soul
Cosmic fire of the stars I ride
High I rise as a master of skiesLonesome realm where the
spirits are dust
Poison clouds are the breath of
life
Tunnels of death are invisible wings
Mystique moons are floating tombsBlack cosmic sea, I sing to
thee
Open the path, oh! MajestyInfinite universe as
silent as death
In this coffin I lay to rest
Astral
bodies guide me to the throne
Now I have joined the cosmic
cryptsBlack cosmic sea, I sing to thee
Open the path,
oh! Majesty
