

Rock Me Baby (Mono)

Otis Redding

You can rock me baby
You can rock me all night long
Rock me baby, rock me baby, rock me baby, huh
Little girl, you can rock me all night long, now oh, now
Just keep on rockin' me little girl, girl
Honey 'till my back ain't got no bone, yeah, huh Roll me, baby, ha
Roll me like a wagon wheel, now, huh
Keep on rollin', rollin', rollin' me baby
Just like they roll a wagon wheel, now oh my, oh my Because when you throw the roll little girl, huh
Baby, you just don't know how good you make me feel, now oh
Yeah, play the blues Steve Keep on rocking me baby, ha, good rockin'
Baby rock me, rock me so, now
Keep on rockin' me, baby, keep rockin' me, keep rockin' me Baby you know how to rock me so, now oh my
I want you to just keep on rocking me babe
Rock me babe, rock me
'Til I just can't take it no more, oh my I want you to rock, rock, rock, rock me babe
Rock me babe, rock me babe, rock me babe
You don't know what I need
I want you to keep rocking me You don't know what I want
I want you to keep rocking me
Everything I love
I want you to keep rocking
Give it, give it, give it to me baby...
