Uncharted

Sara Bareilles

No words
My tears won't make any room for 'em, oh
And it don't hurt
Like anything I've ever felt before
This is no broken heart
No familiar scars
This territory goes uncharted
Just me
In a room sunk down in a house in a town
And I don't breathe
Though I never meant to let it get away from me
Now I have too much to hold
Everybody has to get their hands on gold
And I want uncharted
Stuck under the ceiling
I made, I can't help the feeling I'm going down
Follow if you want, I won't just hang around
Like you'll show me where to go
I'm already out
Of foolproof ideas so don't ask me how
To get started
It's all uncharted
Each day
I'm countin' up the minutes 'til I get alone
'Cause I can't stay
In the middle of it all, it's nobody's fault
But I'm so low
Never knew so much I didn't know
Oh, everything is uncharted
I know I'm getting nowhere
When I only sit and stare like I'm going down
Follow if you want, I won't just hang around
Like you'll show me where to go
I'm already out
Of foolproof ideas so don't ask me how
To get started
It's all uncharted
Jump start my kaleidoscope heart
I love to watch the colors fade

They may not make sense
But they sure as hell made me
I won't go as a passenger, no
Waiting for the road to be laid
Though I may be going down
I'll take in flame over burning out
Compare
Where you are to where you wanna be
And you'll get nowhere
I'm going down
Follow if you want, I won't just hang around
Like you'll show me where to go
I'm already out
Of foolproof ideas so don't ask me how
To get started
I'm going down
Follow if you want, I won't just hang around
Like you'll show me where to go
I'm already out
Of foolproof ideas so don't ask me how
To get started
It's all uncharted
