Trendy

Breaknecks

Everybody's doin' the fish
Yea, yea, yea
Everybody's doin' the fish
Yea, yea, yea
It's not so bad bein' trendy
Everyone who looks like me is my friend
Please don't hate me because I'm trendy
They're not gonna laugh at me again
Everybody does it
And I wonder why don't you?
Everybody, everybody, everybody does it, yea
Maybe you should too
'Cause you don't wanna be left out
You wanna be cool

It's not so bad bein' trendy
Everyone who looks like me is my friend
Please don't hate me because I'm trendy
They're not gonna laugh at me again
It's not so bad bein' trendy
Everyone who looks like me is my friend
Please don't hate me because I'm trendy
They're not gonna laugh at me again
Everybody's makin' fun of me
'Cause they say, I'm so trendy
'Cause I do what others do
They'll make fun of me, they'll make fun of you
But I don't wanna be left out
I wanna be cool
