

Number One Chicken

Red Aunts

I had to take the train again
damn 405 damn 710
I thought you said you were my friend
You know i'm scared to drive you know I am the #1 chicken
#1 chicken
#1 chicken

I had to take the train again
damn 405 damn 710
I thought you said you were my friend
You know i've got no ride you know I am the #1 chicken
#1 chicken
#1 chicken

Inside, ____, Inside
