Baby, I Love Your Way

Peter Frampton

Shadows grow so long before my eyes
And they're moving across the page
Suddenly the day turns into night
Far away from the city
But don't hesitate 'cuz your love won't wait
Ooh baby, I love your way, everyday
I wanna tell you I love your way, every way
I wanna be with you night and day, ooh yeah
Moon appears to shine and light the sky
With the help of some fire flyes
Wonder how they have the power to shine, shine, shine
I can see them under the pine
But don't hesitate 'cuz your love won't wait
Ooh baby, I love your way, everyday

I wanna tell you I love your way, every way
I wanna be with you night and day
But don't hesitate 'cuz your love won't wait
I can see the sunset in your eyes
Brown and gray and blue besides
Clouds are stalking islands in the sun
Wish I could buy one out of season
But don't hesitate 'cuz your love won't wait
Ooh baby, I love your way, everyday
I wanna tell you I love your way
I wanna be with you night and day
Ooh baby, I love your way
I wanna tell you I love your way
I wanna be with you night and day, yeah
