Pink Thunderbird

Jeff Beck

I got a pink Thunderbird with a red plush seat
Oh baby it's mine
I got a new brick house and a two car port
Baby their mine too
I got a bank account baby filled with greens
Baby it's all mineThere ain't nothing I got baby you don't need
Well anything I got baby you can have it
Anything I got baby you can use
Anything I got baby you can have it
If you'll only say I do I do I do I do
RockI got a big white yacht at the edge of the lake
Baby that's mine
I got a million cows that are lowing all the time
Baby they're mine too
I got a factory and an airplane too
Baby it's all mineThere ain't nothing I got baby you don't need
Well anything I got baby you can have it
Nothing I got baby you can't use
Anything I got baby you can have it
If you'll only say I do I do I do I do
RockI got a pink Thunderbird with a red plush seat
Baby it's mine
I got a new brick house and a two car port
Baby their mine too
I got a bank account baby filled with greens
Baby it's all mineThere ain't nothing I got baby you don't need
Well anything I got baby you can have it
Nothing I got baby you can't use
Anything I got baby you can have it
If you'll only say I do I do I do I do
RockThere ain't nothing I got baby you don't need
Well anything I got baby you can have it
Nothing I got baby you can't use
Anything I got baby you can have it
If you'll only say I do I do I do I do
