Yumi

Keith Sweat

Yumi yumi yum
Come and give me some
Ooh baby, ooooh
Yumi yumi yum
Come and give me some
Oooh baby
Is this deja vu
Can I be wit you tonight
(Juicy juicy juicy, come with my love)
Do you like it fast
Or do you like it slow
I'll do it so right
(Juicy Juicy Juicy)
Somebody help me sing this song
(I know what you like)
You see baby I know what you like
(you want to a love like mine)
Oooh I know you want to a love like mine girl
(I know what you need)
Oooh baby I know what you need
(So bring your lovin' to me)
Bring it on, Bring it on to me
(Yumi yumi yum come and give me some)
Yumi yumi yum
(Juicy Juicy Juicy)
Come on and bring me some
(Yumi yumi yum come and give me some)
(Juicy Juicy Juicy)
I love the way you work it hmmm
Good is the way you want to play
All night long
(Juicy Juicy Juicy)
All night long
You don't have to worry pretty baby
I will not do you wrong
(Juicy Juicy Juicy)
Oooh bring your lovin' on
(I want your body tonight, juicy juicy juicy)
Girl I want your body tonight

(I can do you right, you right, you right)
Oooh I can do you right
(So bring your lovin' home, juicy juicy juicy)
Bring your lovin' home baby
(Cause girl you know what's on, what's on, what's on)
Girl it's on, it's on, it's on, it's on, it's on
(Yumi yumi yum come and give me some)
Yumi Yum come on and give me some
(Yumi yumi yum come and give me some)
See your body look real good to me baby
Oooh yes it does
(Yumi yumi yum come and give me some)
Here baby
(See you look real good baby)
Let me talk that one out
(oooh, oooh, oooh)
See your love is so good
(Yumi yumi yum come and give me some)
And your lips are so juicy
(Your body is real juicy to me baby to me tonight)
Puuurrrr, oooh
(Yumi yumi yum come and give me some)
I like the way you work it
Let's turn out the lights baby
Let's get busy baby
