

# Heart On Fire (feat. Elisabeth Troy)

## Clean Bandit

(Oh, oh) You got me spinning spinning spinning You came in deep, I'm hijacked, it's a holdup  
I'm on the Ritz and we spinning every time we touch  
My head is gone and I think and think about you much  
I've never been the type of girl to dream about  
Sugary things and I don't believe in fairy tales  
But now to me it's like your love is oxygen So hear me when I say this, boy I tell you true, I ain't easy  
There's something about you just make me so crazy I can't breathe, you set my heart on fire (Fire)  
Every single thing you do just set my heart on fire  
I struggle to breathe, I can't breathe, you set my heart on fire (Fire)  
Start it again, I can't breathe, you set my heart on fire All about the feeling, it's off, and I'm ahead in this  
It's a chemistry, I'm so jacked up on your medicine  
This thing is next, I'm so in, I'll take it any chance, no  
Boy, you got me freaking, I never thought I'd be like this  
When you go, I'm tweaking and pining for another fix  
Told you before, your love is my oxygen So hear me when I say this, boy I tell you true, I ain't easy  
There's something about you just makes me so crazy I can't breathe, you set my heart on fire (Fire)  
Every single thing you do just set my heart on fire  
I struggle to breathe, I can't breathe, you set my heart on fire (Fire)  
Start it again, I can't breathe, you set my heart on fire So hear me when I say this, boy I tell you true, I ain't easy  
There's something about you just makes me so crazy I can't breathe, you set my heart on fire (Fire)  
Every single thing you do just set my heart on fire  
I struggle to breathe, I can't breathe, you set my heart on fire (Fire)  
Start it again, I can't breathe, you set my heart on fire
