

# Sittin' At a Bar

## Rehab

Bartender I really did it this time  
Broke my parole to have a good time  
When I got home it was 6 a.m.  
The door was locked so I kicked it in  
She was trippin' on the bills  
I think she was high on some pills  
She threw my shit out into the yard  
Then she called me a bum and slapped me real hard  
And in my drunkin' stupor  
I did what I should of never done  
Now I'm sittin' here talking to you  
Drunk and on the run I'm sittin' at a bar on the inside  
Waitin' for my ride on the outside  
She broke my heart in the trailer park  
So I jacked the keys to her fuckin' car  
Crashed that piece of shit and then stepped away You know, Mo, I'll probably get ten years  
So just give me beers til they get here  
Yeah I know the sun is comin' up  
And ya'll are probably gettin' ready for closin' up  
But I'm trying to drown my soul  
I'm tired of this life on a dirt road  
And everything that I love is gone  
And I'm tired of hangin' on She got me sittin' at a bar on the inside  
Waitin' for my ride on the outside  
She stole my heart in the trailer park  
So I jacked the keys to her fuckin' car  
Crashed that piece of shit and then stepped away I guess it's meant to be  
Romance is misery  
So much for memories  
And now I'm headed to the Penitentiary  
See me on T.V.  
The next cop series  
I am a danger  
I guess I shoul've done something about my anger  
But I'll never learn  
Real things I don't concern  
I pour kerosene on everything I love and watch it burn  
I know it's my fault  
But I wasn't happy it was over

She through a fit so I crashed that piece of shit nova And now I'm goin' back again

Back to the pin to see my friends

And when we all pile out that county van

They'll ask me where I've been I've been at a bar on the inside

Waitin' for my ride on the outside

She stole my heart in the trailer park

So I jacked the keys to her fuckin' car

Crashed that piece of shit and then stepped away
