

Joy Rides

MUTEMATH

It all went wrong today
We'll dream the night away
And maybe there's a trace
 Of a brighter side
Cause if we're out of those
 It's over I suppose
 So smile

Let your tears fall off tonight
 Joy rides on the sun
 Everything will be alright
 Joy rides on the sun
There's a new spark in the sky
 Mornings gonna come
Let your tears fall off tonight
 Joy rides on the sun

Give me the sad news first
Cause the good news is probably worse
My feelings don't get hurt anymore
 It's always do or die
 And I don't have the time
 So smile

Hold on
The world is our merry-go-round
