

Staircase at the University

Morrissey

March, April, May
She crammed night and day
I hadn't seen her smile in a while
March, April, May
She crammed night and day
I hadn't seen her smile in a while
Staircase at the university
She threw herself down and her head split three ways
"If you don't get three As," her sweet daddy said
You're no child of mine and as far as I'm concerned, you're dead
"If you don't get three As," her sweet daddy said
You're no child of mine and as far as I'm concerned, you're dead
Staircase at the university
She threw herself down and her head split three ways
"If you don't get three As," her lovely boyfriend said
Your shame is sure to stain the family name
"If you don't get three As," her lovely boyfriend said
Your shame is sure to stain the family name
Staircase at the university
She threw herself down and her head split three ways
Crammin', jammin', pack-em-in rammin'
Chock-a-block box, power study, polish up
And if it breaks your heart then don't come running to me
Crammin', jammin', pack-em-in rammin'
Chock-a-block box, power study, polish up
And if it breaks your legs then don't come running to me
