## **Truth**

## **New Order**

Oh, it's a strange day In such a lonely way I saw some children dance I watched my life in a trance And the people around me Seemed so glad to be here Will my time pass so slowly On the day that I fear? And the noise that surrounds me Pulls so loud in my head From the promise that healed us To the lies that I said Oh, it's a strange day In such a lonely way Some people look down on me, I know they like what they seeStrange day, Such a strange day Such a strange day
