Seven Seas

Jed Madela

I, I was all alone
No one to call my own
I thought that I
I would never find someone like you

To bear me through the storm
To give me a love so strong and so true
Now I know I have it all
Cause baby I have you

*I would swim the seven seas
Crawl down on my hands and knees
Whatever you would need
Baby just call on me

Every song that I would sing
Would be for the joy you bring
I would give the sun, the moon, the stars in my reach

Everything you've waited for
All of that and so much more
My heart, my mind, my soul are yours forever
*

You, you took me by the hand
Made me a better man, better to show
I could never have to lose
Cause baby I have you

Repeat *

If I took a stumble or fall
You were always there to lift me up
If I found myself against the wall
You were there to pull me out

Baby know that I'm thankful for
For all the miracles you do
Cause now I know I have it all

Cause baby I have you

I would swim the seven seas (and I would swim the seven seas)
Crawl down on my hands and knees (crawl down on my hands and knees)
Whatever you would need
(Oh) Baby just call on me

Every song that I would sing (Oh
---
oh)
Would be for the joy you bring
I would give the sun, the moon, the stars in my reach

Everything you've waited for (everything you've waited for)
All of that and so much more (and so much more)
My heart, my mind, my soul are yours forever

Everything you've waited for
All of that and so much more
My heart, my mind, my soul are yours forever
