Joy

Ruthie Foster

There's joy over there
There's joy over there
There's joy over there
There's joy on the other sideThere's peace over there
There's peace over there
There's peace over there
There's peace on the other sideI've got joy in the morning
Joy at night
Joy in the evening
There's joy on the other sideI've got joy in the morning
Joy at night
Joy in the evening
There's joy on the other sideI'm gonna say hello to my mother
Say hello to my mother
I'm gonna say hello to your mother
Because there's joy on the other sideNo more dying there
No more dying there
No more crying there
Because there's joy on the other sideOh, I've got joy I the morning
Joy at night
Joy in the evening
There's joy on the other sideJoy in the morning
Joy at night
Joy in the evening
There's joy on the other sideOh, I've got joy in the morning
Joy at night
Joy in the evening
There's joy on the other sideI've got joy in the morning
Joy at night
Joy I the evening
There's joy on the other side
