

# I've Got You to Thank for That

[Don Williams](#)

I've got Sunday school to thank for Jesus,  
Got educated thanks to mum and dad;  
I can borrow money thank to banker Johnson  
Thanks to me I've spent all that I have.  
I quit smooking thanks to coach kwasky,  
Thanks to lefty Thomson I can fight  
It took a while learning all life's lessons,  
But I learnt about love just one night.  
Honey I've got you to thank for that  
It's good from time to time to look back  
It always reminds me that I love it where I am a a a  
Honey I've got you to thank for that  
Honey I've got you to thank for that.  
Thanks to little Richard I felt craze,  
J.S.B. makes me fell that I too was bad  
Then my life took on a new dimension  
Honey I've got you to thank for that  
Honey I've got you to thank for that
