

# Paperlate

## Genesis

Paperlate paperlate  
Paperlate paperlatePaperlate  
Ooh I'm sorry but there is no one on the line  
Paperlate  
Ooh I'm sorry but rest easy no news is good newsOoh it's too easy to live like clockwork  
Tick tock watchin' the world go by  
Ooh any change would take too long  
So dry your eyesOoh it's too easy to live in a cold sweat  
Just sittin' drippin' in pools below  
You can wipe your face, kill the pain  
But the fever won't go, no noPaperlate  
Pull it together now put your feet back on the ground  
Paperlate  
Ooh don't worry now you're not alone look around youPaperlate  
Ooh I'm sorry but there's no one on the line  
Ah paperlate  
Ooh I'm sorry but rest easy no news is good newsOoh it's too easy to compute our future  
Takin' no risks and playin' too safe  
Any change would take too long  
So dry your eyesOoh it's too easy to talk 'bout rockin' the boat  
Makin' changes and changin' track  
Oh but you'd better not lock that door  
'Cos you'll be comin' backAh you're breathin' faster  
Silence the only sound  
There's no need to be nice on the way up  
'Cos you're not coming downPaperlate paperlate  
Ah paperlate paperlate  
Paperlate paperlate  
Ah paperlate paperlateAh paperlate  
Ooh I'm sorry but there's no one on the line  
Ah paperlate  
Ooh I'm sorry but rest easy no news is good news  
Ah paperlate  
Ooh I'm sorry but
