No Reaction

Relient K

I can't find no inspiration
Nothing that keeps me up at night
I wanna give you satisfaction
So they don't say what's wrong or right
Someone please tell me
Just what is not syncing
Listen to the sound of the beat not stoppin'
No reaction, no reaction
Lookin' at the chart but nothin's toppin'
No reaction, no reaction
Listen to the sound of the Reggae droppin'
No reaction, no reaction
Lookin' at the mouth and the jaw's not talkin'
No reaction, no reaction
Lookin' at the mouth and the jaw's not talkin'
No reaction, no reaction
Lookin' at the mouth and the jaw's not talkin'
No reaction, no reaction
Eh, eh, eh it's somethin'
