No Reaction

Relient K

I can't find no inspiration Nothing that keeps me up at night I wanna give you satisfaction So they don't say what's wrong or right Someone please tell me Just what is not syncing Listen to the sound of the beat not stoppin' No reaction, no reaction Lookin' at the chart but nothin's toppin' No reaction, no reaction Listen to the sound of the Reggae droppin' No reaction, no reaction Lookin' at the mouth and the jaw's not talkin' No reaction, no reaction Lookin' at the mouth and the jaw's not talkin' No reaction, no reaction Lookin' at the mouth and the jaw's not talkin' No reaction, no reaction Eh, eh, eh it's somethin'
