

Husslin'

Kardinal Offishall

Wild time live
[Incomprehensible]
Yo big tune
For Mr. BAiyyo my eastside people let me hear yo
I wanna hear you say yes
I wanna hear you say yes
Aiyyo my westside people let me hear yo
I wanna hear you say yes
I wanna hear you say yesYo, we in a rush
Yo, pass me the keys to the truck so I can start my husslin'
Yo, we in a rush
Turn up the speakers so my words shine through
My nigga them street cats will hussle you
Yo, we gotta live, positive, or positive
Action is your prerogativeClips be sparklin' in the parkin' lot while time gets dark
We celebratin' with the crew, my nigga what else could we do?
Hand to hand passin' contraband
Yo, runnin' from Babylon
Yo, making the money 'cause, yo, that's the solutionYo, they won't hire my brothers to work 9 to 5
So instead of suicide, we husslin' to stay alive
My peeps don't wanna live off of them government checks
So we take the street, we gotta beat
And make 'em move to the beatYour gun finger in the air for prisoners on lock
Your gun finger in the air for revolution pawn cock
Gettin' paid out the books this year
We wanna cocoa butterin' large amounts, that's cream
No doubt 'cause we beHusslin', husslin', yo
Aiyyo my people in the streets
Husslin', husslin', yo
B-Boys from West to East
Husslin', husslin', yo
The real will never decrease
Husslin', husslin', yo yo yoBecause we be husslin', husslin', husslin'
Husslin', husslin', husslin', husslin'
You gotta do the hussle
You and your crew the hussle
Aiyyo we be husslin', husslin', husslin'Can I get a yeow! Yeow!
Aiyyo can I get another one yeow! Yeow!
I'm representin' for my husslers on the go

No chatter, long term doesn't matter baby mama
 'Nuff drama she wants her new Guess vest
 She's husslin' me to impress, she want child support
 But my seed has never ever seen his daddy before
 She said, if I don't go her the loot
 She'll take me to court
 Tell the police on the side I'm makin' fake passports
 Aiiyyo who's husslin' who? The politicians or the criminals
 Herb husslers or smugglers, record labels or rap
 Yo, can I get a soul clap?
 Words are infinite
 Rhymes are untouchable, in the skies are the limit
 Yo, some people husslin' because then cant make rent
 They 9 to 5 makin' them 95 dollars and 10 cents
 Yo people all around the world
 They husslin' to stay alive
 When ya hussle do it for the eye and I
 Husslin', husslin', yo
 Aiiyyo my people in the streets
 Husslin', husslin', yo
 B-Boys from West to East
 Husslin', husslin', yo
 The real will never decrease
 Husslin', husslin', yo yo yo

 Aiiyyo we be husslin', husslin', husslin'
 Yo, well see ya!
 Mr. Kardinal rockin' non-stop
 Husslin' from uptown and cop a fat drop top
 Yo, my circle bustin' husslin' records from day one
 Figure 4 to Kneedeep, Capital Hill on the gun
 Sliver house and the girl keepin' the rhythm damn tight, tight
 Pick up the slack my A.S.R. in the back
 Yo, the way I bust my hussle
 Positive muscle and motion
 Husslin' from east to west coastin'
 Toastin' the players in the rap game controllin' the dice
 You don't have to be a shot caller do show them brothers you're nice
 Just do yo thing baby
 Straight from up above naturally
 And I'm a fan one love
 Can I get yeow! Yeow!
 Can I get another one yeow! Yeow!
 I'm representin' for the T-Dot O, O!
 Aiiyyo can I get another one, yeow! Yeow!
 Yeow, yeow, yeow
 'Cause we be
 Husslin', husslin', yo
 Aiiyyo my people in the streets
 Husslin', husslin', yo
 B-Boys from West to East
 Husslin', husslin', yo

The real will never decrease
Husslin', husslin', yo yo yoBecause we be husslin', husslin', husslin'
Husslin', husslin', husslin', husslin'
You gotta do the hussle
