

Untied Laces

Pet Names

It's never easy when you're stuck in cycles
And you're never sleeping
Never dreaming or believing and you're always overthinking
What you're doing what you're saying and how everyone's being

I don't think in sentences, I think in paragraphs and pages
I'm setting reminders while tripping over all the untied laces

It's hard to imagine when you're always clouded
with the lessons you're forgetting and you're always overstepping
You're surrounded and confounded and your thoughts get impounded

I lost my place keeping pace
Now I'm starting over again
