

# Music! Music! Music

**Teresa Brewer**

Music, music music  
Put another nickel in  
In the nickelodeon  
All I want is loving you and  
Music, music music  
I'd do anything for you  
Anything you'd want me to  
All I want is kissing you and  
Music, music music Closer, my dear come closer  
The nicest part of any melody  
Is when you're dancing close to me Put another nickel in  
In the nickelodeon  
All I want is loving you and  
Music, music music
